Revision

Below you will find a range of useful resources to help you with your revision. These include guidance on how to revise, exam information and a blank revision timetable for you to begin filling in. Remember - the earlier you start revising the more prepared you will be!

Your teachers will give you subject specific revision guidance in your lessons as well.

The following websites are also useful to access for revision (there are lots more listed in the revision support booklet below):

<http://getrevising.co.uk/>

Get Revising encourage students to see that they are not alone but part of a community of many thousands, all sharing the experience of learning.

<http://www.bbc.co.uk/schools/psebitesize>

BBC Bitesize offers an excellent resource for learning and revising all subject areas.

This video from Mr Brooks explains in more detail the assessments year 11 will experience, including their Pre-Public Exams (PPEs) and the summer exam period arrangements: [Supporting Success](#)

Lots of people here in school to help further if you need it:

Personal Development Coach Mr McQuiggan

Year 11 Progress Leader Mrs Brown

Form Tutors

Subject Teachers

Working together to help you achieve.

A photograph showing a group of people's hands clasped together in a circle, symbolizing community and support. The hands are of various skin tones, and the background is dark and out of focus. A small yellow horizontal line is positioned above the text on the left side.

Personal Safety and Safety in the Community

Year 11 – Staying Safe and Safety in the Community

Objectives:

- *To raise awareness of personal safety and what to do when faced with risk and danger.*
- *To explore risks and dangers within different communities.*
- *To understand personal choice when faced with risk and to be more informed.*

Curriculum Links:

Personal Development Education	Citizenship
Understanding and recognising risks and dangers Making positive choices	Understanding our impact on the community we are part of.

Personal safety is about well informed so you can be prepared. When going through life, everyone encounters moments that are potentially dangerous or risky. Being informed means making better choices which will ultimately impact more positively. By making better choice we create positive outcomes which have a more positive impact on our society. It is important to understand the impact our decisions, whether right or wrong, have on others in society.

Year 11 – Staying Safe and Safety in the Community

Registering:

- You need to go straight to your register room at 8:30 and be registered by 8:35am. Register with your form tutor as normal.
- After morning register, everyone needs to make their way to the Drama Studio for session 1. You need to be seated by 8:40am
- Afternoon register, you need to go to the session 5 on your ACE Day timetable and you will be registered by your teacher, when you arrive.

Sessions:

- You will rotate around each session on your ACE Day timetable.
- You need to be prompt to every session so please ensure you know where you are going for each change.

Break is...	10:30 – 10:45	During break and lunch, you need to stay over in the dining hall. You can use the toilets near Science.
Lunch is...	12:45 – 13:15

HA and ASB

- We have had to create 4 groups for the day, after session 1 and 2.
- HA and ASB have been mixed with the other four form groups.
- There will be a list of groups displayed in your form room today, and also displayed on the board, in the corridor, outside the well-being hub.

Session 1 and 2

- Session 1 is in the Drama Studio with the Fire Service.
- They will be showing a film called the Fatal Four. This about the consequences of the 4 biggest dangers when driving. It is based on a tragic true story.
- Session 2 will be out in the Car Park.
- Crash Response demonstration. Following on from the film, the fire service will be demonstrating what they do in response to serious car accidents. This will involve cutting up a car.

Sessions 2,
3, 4 and 5

- You will rotate in groups over 4 different sessions:
 - CPR Training
 - Hazard Express
 - FREEVA
 - Substance Misuse Talk
-
- The sessions last for approximately 55 minutes

Guests and Visitors to College

Many of the visitors to the college, on ACE Day, are volunteers. They have given up their own time to come to us, as experts in their field, to talk to you about what they do.

During their sessions they will spend time with you. It is your responsibility to:

- Listen intently to what they are saying to you.
- Actively take part in any activities they have prepared for you.
- Think of sensible questions to ask, if you have the opportunity to ask them.
- Demonstrate kindness towards them by using good manners.
- Be punctual at all times.

Final Thoughts...

- If the weather is ok, session 2 is outside and it's possible you will be out there for 30 minutes. Think about a coat over your blazer to keep warm.
- Timings are crucial. Please make your way to each session promptly so our guests can start on time. Registers will be taken at the start of each session.
- Lunch and Break in the dining hall isn't ideal but it is only for one day.
