All data is processed under Section 175 of the Education Act 2002 for maintained schools. Data Controllorship is then passed to the Department for Health and Social Care (DHSC) at the point that we transfer data to them.

The information will be transferred to DHSC, who will share this with the NHS. Public Health England (PHE) and the Local Government will use this information for wider test and trace activities as well as statistical and research purposes.
