

Year 7 Home Learning: English

To support your home learning during your self-isolation, you are going to be using resources prepared by Oak National Academy.

The units for each term complement the scheme of learning that students follow in school so you will be covering work at home which will supplement and develop the work you would otherwise be completing in school.

As you follow the links provided, you will see that each Oak National Academy topic is divided into multiple lessons. We have specified which lessons we would like you to focus on and you are aiming to complete three to four lessons each week.

In your exercise book, make sure you write the title for each lesson then watch the video and follow the instructions given. You may wish to make some notes of key points in your book to refer to later. Keep a note of your scores from any quizzes.

It would also be a good idea for you to keep an eye on Show My Homework and to attempt any homework tasks being set for your class.

Different students will work through the lessons at different rates: just do your best!

Term Two:

Creative Writing: Poetry (first 3 lessons):

<https://teachers.thenational.academy/units/creative-writing-poetry-5439>

Oliver Twist: The Final Chapters (4 lessons):

<https://teachers.thenational.academy/units/oliver-and-the-consequences-9ee7>
