

FACILITIES

available at UCC

At Uppingham Community College, like so many other schools we make our facilities available for community use.

These include:

- Sports Hall
- Tennis & Netball Courts
- 3G Artificial Turf Pitch
- Classrooms
- Drama and Music facilities

We also offer spaces such as classrooms for meetings, and halls for lectures and theatre presentations. The Drama studio and The Wignell Studio make ideal venues for parties or concerts; large or small. The Enhanced Resource Provision is an excellent venue for small conferences or training events.

We are committed to giving our local community access to our excellent facilities which continue to be developed for our students and the wider community.
