College trips have to be self-supporting and if insufficient contributions are forthcoming the trip may have to be cancelled. We are keen, however, for all students to have access to this opportunity and some financial support may be available where family circumstances would otherwise make participation impossible.

We would remind students that an excellent standard of behaviour will be expected at all times as they are representing UCC. We reserve the right to refuse students' participation in trips due to poor behaviour or Health & Safety concerns.

A refund cannot be guaranteed in the event of a student not participating for any reason after they have booked onto the trip.

Please note: You will have given your consent for school trips via the College Consent Form. Contact/medical information for your child will be taken from our student database. It is a parents' responsibility, and of vital importance that the College is notified immediately of ANY changes to the information we hold as this may be used in the case of an emergency.
