Please book via Wisepay, our online booking and payment system in order to reserve a place. If you are unable to book using this service, please contact Student Services to discuss an alternative means of booking **before the deadline date above**. Any delay could result in your child not getting a place.

College trips have to be self-supporting and if insufficient contributions are forthcoming the trip may have to be cancelled. We are keen, however, for all students to have access to this opportunity and some financial support may be available where family circumstances would otherwise make participation impossible. Please contact Student Services as soon as possible, but **before the date above** for further details.

We cannot guarantee a refund if a student does not attend for any reason, once a place is confirmed.

A place cannot be guaranteed on this trip for any bookings after this date.

Please note: if behaviour and attitude to learning has not been at least good during their time at UCC then it will be decided that these students may not attend the trip. Attendance may also be considered. The College reserves the right to refuse students' participation in trips due to poor behaviour or Health & Safety concerns.

Please note: You will have given your consent for school trips via the admission Form. Contact/medical information for your child will be taken from our student database. It is a parents' responsibility, and of vital importance that the College is notified immediately of ANY changes to the information we hold as this may be used in the case of an emergency.
