

Uppingham Community College - Post Results Services Request and Consent Form

Information for candidates

The following information explains what may happen following a clerical re-check, a review of marking and any subsequent appeal. There are three possible outcomes from a request for a clerical re-check or a review of the original marking for one of your examinations, after your subject grade has been issued:

- Your original mark is lowered, so your final grade may be lower than the original grade you received.
- Your original mark is confirmed as correct, so there is no change to your grade.
- Your original mark is raised, so your final grade may be higher than the original grade you received.

To proceed with the clerical re-check or review of marking, you must sign the form below, confirming that you have understood what the outcome might be, and that you give your consent to the clerical re-check or review of marking being submitted.

Please complete all the fields in the relevant tables below and sign the declaration to give consent:
