

Culture Year 9	Curriculum Intent: In year 9 our culture students follow a bespoke curriculum where we focus on the areas of food, film, music, celebrations and etiquettes. Through a variety of different mediums, students develop their awareness and appreciation of these aspects of our lives, with a focus on how they linked in different cultures around the world.		
	Autumn Term	Spring Term	Summer Term
Module	Harvest Music around the world Making your own food Coco (Dia de los Muertos) Balloon (The cold war) Christmas Travel etiquette	Are musicians good role models? Managing a household Carnival pancake day The Climb Transport and London Underground	Eurovision Berlin Weddings Ratatouille French cuisine
Interleaving Knowledge	Reuse of key vocabulary and concepts		
	Each sub-unit focuses on knowledge specific to that area.		
Understanding	Students develop an understanding of different aspects of society and how these vary or are similar around the world.		
Skills	Students develop the transferable skills of analysis, memory, tolerance, resilience and communication. They also work on their presentation skills, literacy and ability to work independently.		
Assessment	A quiz and a presentation (spoken or written) for each subunit
