Any delay could result in your child not getting a place.

College trips have to be self-supporting and if insufficient contributions are forthcoming the trip may have to be cancelled. We are keen, however, for all students to have access to this opportunity and some financial support may be available where family circumstances would otherwise make participation impossible. Please contact Student Services as soon as possible, but **before the date above** for further details.

We cannot guarantee a refund if a student does not attend for any reason, once a place is confirmed.

The College reserves the right to refuse students' participation in trips due to poor behaviour or Health & Safety concerns.

**Please note:** You will have given your consent for school trips via the College Consent Form. Contact/medical information for your child will be taken from our student database. It is a parents' responsibility, and of vital importance that the College is notified immediately of ANY changes to the information we hold as this may be used in the case of an emergency.
