

BOX 1 - What can you play?

In this box please list any instrument that you can play or that you have played in the past. Please note that this includes the voice, so if you sing, add this. Include how long you have played or sang for and if you have taken any grades. If you have played and now stopped you should add these experiences as well. For example:

- I played recorder in years 3 and 4 but I have now stopped.
- I play the trumpet and I have taken grade 2. I have lessons with Mr Jones.
- I play the piano for pleasure at home - I don't have lessons though.
- I play the guitar and mainly learn to play from YouTube videos.

BOX 2 - What have you taken part in?

In this box please list any music, dance, drama or sporting activities that you have been involved in. These can be past experiences or current activities and hobbies/sports. The reason that we like to know what you have taken part in is because it helps us to build a picture of what you've already experienced, how you work independently and as part of a group, your coordination and self management skills and it gives us an idea of your talents, interests and abilities. If you have taken part in something that has since ended for any reason, please still list those things here. For example:

- I do street/acro dance with Susanne - years 5, 6 and 7
- I took part in 'The Pied Piper' choir at DeMontfort Hall, Leicester - in 2019
- I horse ride and have two horses of my own - I have done this since I was aged 9
- I have Taekwondo lessons every Thursday - I am fairly new at this, but I love it
- I play football for the Leicestershire and Rutland - since year 6
- I am a keen on cycling - I have two bikes
- I take ballet and modern dance lessons - I have done this since I was 4 years old
- I compete in swimming - I train three mornings a week as well as at the weekends

BOX 3 - Your Wish List!

In this box please list anything that you would really like to do in the performing arts (music, dance and drama). We are really good at listening to your ideas and thoughts of what you would like to learn in class time and through our extra-curricular activities. Please include any instruments or songs/pieces of music that you would like to sing/play. Tell us about any musical instrument (including voice) that you would like to learn play or to continue to play at secondary school. Perhaps you would like a band to come to UCC and perform to the whole of year 7 or you might like to learn how to DJ? Be adventurous!!
